Professional Summary

Electrical engineer with a strong background in manufacturing automation and robotics. Passionate about industrial innovation and new technologies.

Experience

- Automation Engineer at TechManufacture Ltd, 2019–Present
- Electrical Engineer at Robotics Corp, 2014–2019

Key Achievements

- Developed a robotics line that increased production throughput by 40%
- Automated testing systems reducing error rates by 25%
- Filed a patent on industrial sensor technology
- Led a cross-functional team of 15 engineers on a production automation project

Education

- MSc in Electrical Engineering, National University of Singapore, 2014
- BSc in Electrical Engineering, Nanyang Technological University, 2012

Skills

Automation, Robotics, PLC Programming, Industrial Control, Sensors
