

Ivaylo Petrov

Email: ivaylo.petrov@talentbridge.org

Phone: +359 88 812 3456

Address: 15 Tsar Osvoboditel Blvd, Sofia 1000, Bulgaria

Date of birth: 14 February 1991

QA automation engineer with 9 years of experience across API, UI, and regression automation.

Led release validation for fintech products, designed risk-based test strategy, and improved flaky pipeline.

Worked closely with developers and product teams to investigate production-like issues and strengthen test coverage.
